

2026 Festival Fête

Sponsorship Proposal

"Celebrate the Golden Age"

Join us on for the golden age themed Festival Fête on November 14th. Held at the exclusive Forest Highlands Clubhouse, the event features science experiences and demonstrations for adults, catered dinner and refreshments, and an auction. The Festival invites the whole community (donors, attendees, and public figures) and many of our dedicated supporters will be in attendance. They are individuals who have long-lasting ties to Flagstaff, are engaged in the community, and have the means to generously support charitable organizations like ours. We know it would be an ideal audience for you to market to. Join us and show your support of a long-standing educational non-profit in our community and share in the celebration with like-minded patrons. Your contribute ensures that the Festival of Science and its STEM programming remain accessible and entirely free for all.

Levels of sponsorship and their associated benefits:

PRESENTING SPONSOR: Presenting Sponsor of the Fête \$5,000
